

DISNEY MEDLEY - Ronni 2017 OLD TOWN LIGHTS SWITCH ON HOW FAR I'LL GO

I've been staring at the edge of the water
'Long as I can remember, never really knowing why
I wish I could be the perfect daughter but I come back to the water no matter how hard I try
Every turn I take, every trail I track
Every path I make, every road leads back
To the place I know, where I can not go
Where I long to be
See the line where the sky meets the sea? It calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays behind me
One day I'll know, if I go there's just no telling how far I'll go

PART OF THAT WORLD

I wanna be where the people are
I wanna see, wanna see them dancing
Walking around on those
What do you call 'em? Oh, feet
Flipping your fins you don't get too far
Legs are required for jumping, dancing
Strolling along down the
What's that word again? Street
Up where they walk, up where they run
Up where they stay all day in the sun
Wandering free Wish I could be, part of that world

PROUD OF YOUR BOY

Proud of your boy I'll make you proud of your boy
Be-lieve me, bad as I've been, Ma
You're in for a pleasant sur-prise I've wasted time I've wasted me
So say I'm slow for my age A late bloomer, O-kay, I agree
That I've been one rotten kid Some son, some pride and some joy
But I'll get over these lousin' up Messin' up, screwin' up times
You'll see, Ma, now comes the better part
Someone's gonna make good Cross his stupid heart
Make good and finally make you Proud of your boy

LET IT GO

My power flurries through the air into the ground
My soul is spiraling in frozen fractals all around
And one thought crystallizes like an icy blast
I'm never going back, the past is in the **past**
Let it go, let it go When I'll rise like the break of dawn
Let it go, let it go That perfect girl is gone
Here I stand in the light of day
Let it go (**Let it go**), let it go (**Let it go**) **Can't hold it back any more**
Let it go, (**Let it go**) let it go (**Let it go**) **Turn away and slam the door**
I don't care what they're going to say
Let the storm rage on----How Far I'll Go----How Far I'll Go
Wandering free, Make you Proud of your boy,
How Far I'll Go The cold never bothered me anyway
